Reference No.: BA/FBH/RMP/QCBS/44/CS/16

The amendment is included in the Notice No. OP00040138 published on December 5 2016, and the amended one has the following content:

Bosnia and Herzegovina has received credits from the World Bank (IBRD) and from European Investment Bank toward the cost of the Roads Modernization in Federation of B&H, and intends to finance jointly a part of the proceeds for the consulting services.

The consulting services (“the Services”) for Roads Modernization in Federation of B&H include, but are not limited to supervision of the quality, quantity, time and technology of the executed works; Environmental and Social Monitoring, preparation and submission of the mandatory Reports and other activities as recommended in Guidelines for Road Design, Construction, Maintenance and Supervision/ Sarajevo 2005/Volume IV, Supervision (www.jpfbih.ba). The objective of the consultancy services is to ensure that high quality construction is achieved and that all works are carried out in full compliance with the engineering design and environmental protection, technical specifications described in the civil works contracts and that all efforts are deployed by the contractors to manage the construction within the agreed time and price.

The Services will include supervision for the following construction works:

- Construction of third lanes for slow traffic on nine selected road sections;
- Reconstruction/rehabilitation of four selected road sections with partial axis correction;
- Reconstruction of eight intersections classified as black spots on main roads;
- Rehabilitation of three selected tunnels, and
- Rehabilitation of seven selected bridges.

Detail Terms of Reference can be downloaded at:

http://www.jpfbih.ba/ba/nabavke/medjunarodne_nabavke.shtml

The Employer will award the above works either individually or in packages, according to the Procurement Plan.

Expected construction period is February 2017 - December 2020, including the Defect Liability Period under civil works contracts.
